

"Medical bills bleeding you dry?"

www.HR676.org

***Maybe it is time for
single - payer national
health insurance for all!***

***We have been talking about
it for over 50 years & the time
for action is now!***

***There is a bill in Congress right
now that will create national health
coverage in America called H.R. 676.***

www.HR676.org

***Everything is covered including
medications, dental services, and
long term nursing care.***

***You choose your own doctors and hospitals.
No more expensive co-pays, deductibles
or pre-existing exclusions.***

www.HR676.org

***We need to ALL get behind this bill NOW to
help get it passed or the big health
corporations will make sure that it doesn't.***

***If you believe affordable health care in America should be a
right and not a privilege, then join us today and your voice will be heard!***
